

**<u>Classification</u>**: Criminal Intelligence Analyst I (Financial)

Title Code: V00585

Pay Range: 18

**POSITION SUMMARY:** This is a responsible professional and analytical position at the Missouri Information Analysis Center (MIAC). An individual in this position analyzes and assesses criminal and financial information of a confidential nature and develops comprehensive analytical reports based on available data, specifically financial data. The employee will analyze financial information to strategically disrupt funding for criminal and terrorist organizations, and share information with partners throughout the local or national intelligence network. The employee is required to utilize over fifty specialized analytical and informative state and federal databases to develop financial assessments, threat assessments, time series analyses regarding crime or financial patterns, and to identify criminal groups, key individuals involved in organized criminal activity, their methods of operation, and the extent of the individual's criminal influence on its organized criminal group. The employee may also be responsible for compiling various statistical and financial reports, bulletins, informative booklets, etc., and the Missouri Statewide Intelligence Network (MoSPIN). The employee is also responsible for quality control of data entered into various intelligence databases in order to maintain the integrity of intelligence data received and/or disseminated. The employee will specialize in financial analyses and assessments to identify any nexus to criminal or terrorist entities. Work is performed under general supervision.

**DESCRIPTION OF DUTIES PERFORMED**: (Any one position may not include all of the duties listed nor do the listed examples include all tasks which may be found in positions of this class.)

Collaborates and shares information with partners to disrupt illicit financial networks that aid terrorist financiers, transnational criminal organizations, and human rights abusers.

Utilizes the Financial Crimes Enforcement Network to collect and analyze information about financial transactions in order to combat money laundering, terrorist financing, and other financial crimes.

Examines financial documents, expenses, and funding mechanisms relating to travel and associated costs to ensure compliance with policy and law.

Receives financial transactions data; analyzing and disseminating that data for law enforcement purposes; and building global cooperation with counterpart organizations in other countries and with international bodies.

Researches all applicable files, database systems and case summaries in order to respond to intelligence and criminal activity inquiries from all state and federal law enforcement agencies (state patrol agencies, FBI, DEA, ATF, IRS, etc.) and prosecuting attorneys concerning the validity of financial records, driver license records, title applications, and VINs for suspected fraud, stolen vehicles, or criminal activity; prepares documents and/or certified copies and disseminates to requestor.

Performs telephone record analysis charting methods and other link charting to determine interrelationships and financial transactions involving criminal activity; uses crime analysis techniques including, but not limited to, financial analysis, time series analysis, and case analysis to view and evaluate patterns of criminal activity; evaluates patterns of similar suspects or crime groups, to include maps, charts, and other statistics.

Researches, compiles, and disseminates to major case investigation officers and prosecutors, intelligence booklets containing all data on file on the subject in question for criminal or financial activity; develop financial reports, threat assessments, bulletins, and other work products to enhance the flow of relevant trends of criminal or financial activity; prepares a summary report and answers questions pertaining to the intelligence information to the law enforcement investigator or prosecutor.

## **Classification:** Criminal Intelligence Analyst I (Financial)

Serves as a liaison between the Patrol and other state agencies, specifically with DOR and law enforcement personnel, to answer questions regarding policies and procedures related to motor vehicle titling, driver license records, etc.

Examines towed vehicle entries received by the troops and checks databases for stolen or latest owner information.

Notifies DOR when documentation gives suspicion that one person is committing identity theft by utilizing different social security numbers, names, etc.

Reviews driver license photos to determine similarities with a suspect; compares signatures and other similar characteristics, and forwards information to requesting agency or officer.

Accumulates certified copies, title histories, driver license records, etc., for DOR to process and forward to requesting agency or officer; notifies agency or officer, via teletype or email, that request is being processed.

Receives and transmits motor vehicle and driver license information, administrative messages, etc., from and to other law enforcement agencies, license bureaus, reciprocity, etc., via teletype, email, telephone, facsimile, etc.

Creates photo lineups for investigating officers utilizing various state and/or federal databases.

Monitors Computer Aided Dispatch (CAD) machine, teletypes, and MIAC mail to stay abreast of any developing situations, including homicides, officer safety issues, highway closures, severe weather conditions, etc; determines how the information should be disseminated to the approved audience and takes appropriate action.

Develops financial reports, threat assessments, bulletins and other MIAC alert work products in a timely manner to enhance the flow of relevant trends of criminal and financial activity; determines which individuals or groups need the information based on the level of intelligence contained in the product; and then disseminates to the appropriate audience.

Prepares weekly and monthly publications and various brochures detailing trends in criminal financial activity, drug trafficking, gang related information, received by the Patrol and other state and national law enforcement intelligence agencies; disseminates the publications to various local, state, and federal law enforcement agencies for informative purposes.

Rotates with other analysts within the division to be on standby to respond to emergency situations.

Serves as liaison and centralized communications channel for MoSPIN (Missouri Statewide Intelligence Network).

Gives permissions and assigns user name and passwords.

Audits, educates and trains users regarding information available through MoSPIN.

Monitors and maintains the integrity of data entered into MoSPIN from Patrol and other law enforcement agencies by deleting or adding information, correcting duplicate entries; confirms entries into MoSPIN are 28 CFRPart 23 compliant.

Performs other financial work-related duties as assigned.
