

FACILITIES AND GROUNDS MAINTENANCE JOB FAMILY

CAREER PATH

Maintenance/Grounds Technician

Second-level vocational employees responsible for performing a variety of semi-skilled work in the alteration, maintenance, and repair of state buildings and facilities. An employee in this position will also perform custodial duties involving the cleaning of state offices or facilities, as well as maintaining inventory of supplies and performing maintenance on cleaning equipment. Employees work in a variety of trade areas such as electrical, plumbing, carpentry, concrete and masonry, painting, plastering, and mechanical repair in settings such as facilities and grounds. May also oversee a crew engaged in custodial and maintenance tasks.

Knowledge, Skills, and Abilities

In addition to those identified in the previous levels within this career path:

Working knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of all assigned areas of facilities and grounds maintenance, as well as the laws, principles, and practices as they are related to implementation within the agency.

Working knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of the agency's policies, procedures, rules, and regulations in the performance of duties.

Working knowledge of and the ability to demonstrate successful operation and use of designated facilities and grounds maintenance equipment, parts, tools, supplies, and associated software systems in the performance of duties.

Working knowledge of and the ability to demonstrate successful use of computer equipment and associated software/databases in the performance of duties.

Knowledge of and the ability to demonstrate understanding and successful use of the principles and practices of project management techniques in the performance of duties.

Possess and demonstrate successful communication skills in English via all modes of communication.

Possess and demonstrate successful management and prioritization of work within predetermined deadlines and stressful/adverse situations.
