COURAGE2REPORT

STATEWIDE SCHOOL VIOLENCE PREVENTION

Courage2Report is a statewide school violence prevention effort. Through this program, anyone can submit a tip or report regarding a safety issue in a K-12 school. Those who contact Courage2Report can do so confidentially to mitigate the fear of retribution or consequences.

Students, staff, parents, and all members of the community are encouraged to speak up – tell a trusted adult or use Courage2Report.

Tips can be submitted by calling the hotline, downloading the free mobile app, or using the online form located on the Courage2ReportMO.com website.

Courage2Report staff provides training to any group regarding reporting and preventing school violence and explains what to report, how to report, and why it matters.

Courage2Report provides marketing items, such as posters, brochures, etc., free of charge.

The Missouri Information Analysis Center provides a public safety partnership including local, state, and federal agencies; the public sector; and private entities. These partners collect, evaluate, analyze, and disseminate information and intelligence to the agencies tasked with Homeland Security responsibilities in a timely, effective, and secure manner.

MIAC is the mechanism for collecting incident reports of suspicious activities. This allows such reports to be evaluated and analyzed with the intention of identifying potential trends or patterns of terrorist or criminal operations within the state of Missouri.

MIAC provides the vehicle for effective communication between federal, state, and local law enforcement community within our region.
